Golf Croquet Handicap Card

Name _____

Club _____

ACA ID _____

Your Index changes after each competition game won or lost. The winner's index increases and the loser's decreases by the same amount (except for players with handicaps of 10, 11 and 12 who do not lose index points).

Your handicap changes as soon as your index reaches a trigger point given in **Table C*** corresponding to a handicap different from your current handicap.

In **handicap singles** games your index increases or decreases by 10.

In **level singles** games the index change is shown in **Table D***.

In **handicap doubles** games your index increases or decreases by 5.

In **level doubles** the index change is shown in **Table E***.

Index changes are the same for 7,13 and 19 point games. Refer to *The Rules of Golf Croquet, 2013* for the number of 'Extra Turns' allowed in Handicap Games.

Players are reminded they are to comply with *The Rules of Golf Croquet, 2013* as adopted by the ACA.

*Tables are listed in the Appendix –
The Rules of Golf Croquet, 2013
